## Great Crescent Brewery IN Orbit

American IPA brewed with hops from around Indiana being released in November 2017

**Aurora, IN September 4, 2017:** The family owned brewery located in Aurora, IN believes that Indiana hop producers deserve to be recognized for their efforts through local farming that supports small Indiana breweries. Great Crescent Brewery is planning to showcase Indiana grown hops in a new beer being released in November 2017 called "IN Orbit IPA". A variety of hops will be blended from the 2017 harvest from farms around the state of Indiana and used to brew this very unique beer. Great Crescent Brewery owners Dan, Lani and Joe Valas will drive their Ambrewlance to each participating farm around the state to meet the growers and collect the hops.

The following farms are participating in this fresh hop beer – Indy High Bines, Howe Farms, Crazy Horse Hops, Waltz Valley Farms, Eight One Two Farms, Liberty Hop Farm and Tiger Claw Hop Farm. The hop varieties that will be blended are Cascade, Columbus, Chinook, Tahoma, Fuggle, Pacific Gem, Crystal, Michigan Copper and Mackinac. The release of IN Orbit IPA will coincide with the 9<sup>th</sup> Anniversary of Great Crescent Brewery which opened in November 2008. IN Orbit IPA will be served at Great Crescent Brewery in Aurora, IN as draft and also distributed to local area draft accounts. Kegs will be available for bars and restaurants outside Dearborn County by contacting Dan Valas via email [dan@gcbeer.com](mailto:dan@gcbeer.com).
