**** FAMILY OWNED & OPERATED ****

Dan and Lani Valas started Great Crescent Brewery in November 2008 in a small storefront on 2nd Street. Since, they have expanded into a historic building built in 1843, which served as the warehouse for the Thomas and JW Gaff Distillery, located at 315 Importing Street in downtown Aurora. In 2013, Joe Valas became the third partner of the brewery specializing in graphic design work for the company.

Great Crescent Brewery is an award winning brewery receiving honors and recognition in local, regional, and national competitions. They are recognized by Indiana Artisan, and was recently accepted into the Indiana Grown program which supports and promotes products made in Indiana. All products are made at the Aurora location. There are 9 beers on tap and 3 soda's, including: Root Beer, Cream Soda, and Sparkling Lime.

Fresh food is served for lunch and dinner. They specialize in smoked meats including: chicken, pork, salmon, and sausages. There are also variety of freshly made side items. The taproom is open Friday and Saturday 11am to 9pm. A full copy of the menu and current beer selection is available on their website.

Great Crescent Brewery was selected for Best of the City in 2014 by Cincinnati Magazine. In addition to the brewery and taproom, The Brew House coffee house is located at the Mechanic Street entrance where locally roasted coffees from Funny Farm Coffee in Moore's Hill, Indiana, are brewed.

Great Crescent Brewery is the choice for many people wanting to celebrate with family and friends for special occasions. We frequently accommodate larger groups - contact Dan or Lani to find out if our taproom is the right fit for your party or event.
