## Frequently Asked Questions

---

### **What is the Indiana Drug Card?**

Indiana Drug Card is a FREE statewide discount prescription assistance program. The program was launched to help uninsured and underinsured residents afford their prescriptions.

### **Who is eligible to participate in the Indiana Drug Card program?**

Every resident of Indiana is eligible to receive a FREE prescription drug card.

### **How do Hoosiers get an Indiana Drug Card?**

Hoosiers can download a FREE card, search drug pricing, and locate participating pharmacies by visiting [www.IndianaDrugCard.com](http://www.IndianaDrugCard.com). CVS/pharmacy is the preferred pharmacy for the Indiana Drug Card. Anyone not able to access the website, or otherwise obtain a member card, can visit any CVS/pharmacy in Indiana to have their prescription processed through the program. Residents can also obtain cards at various health centers, hospitals, clinics, businesses, and other card distribution sites that are set up across the state. The cards are accepted at more than 56,000 pharmacies across the country.

### **How can Indiana Drug Card provide free cards to residents?**

This statewide prescription assistance program is made possible and funded through the support of pharmacies and pharmaceutical companies.

### **What makes Indiana Drug Card different from other prescription programs?**

- No enrollment forms
- No restrictions to participate
- No eligibility or income requirements/limitations
- No waiting periods
- No age restrictions
- No exclusions
- Includes pre-existing conditions
- No claim forms to file
- No annual or lifetime limits
- Open formulary so that both brand and generic medications are eligible for discounts
- Confidentiality: No personal information will be sold, shared, or distributed

### **Can this program be used by people who have insurance with prescription benefits?**

This program was launched to help the uninsured people of Indiana afford their prescriptions. However, people with insurance can also use Indiana Drug Card to get a discount on medications not covered by their insurance (non-covered drugs).

### **What type of discounts can you expect when you use this card?**

Average savings are roughly 30% with savings on some medications as high as 75%+.

### **What prescriptions are discounted with this program?**

The program has an "OPEN FORMULARY" which means that brand and generic medications are eligible for a discount through this program.

### **What are the highlights of the Indiana Drug Card program?**

#### **PROGRAM HIGHLIGHTS:**

- The cards are FREE to all Indianans.
- There are no enrollment forms, no restrictions, no age or income requirements, no waiting periods, no eligibility required, no exclusions, covers pre-existing conditions, no claim forms to file, no annual or lifetime limits, includes discounts on brand and generic medications, open formulary so that brand and generic medications are eligible for discounts.
- This program has a "LOWEST PRICE" feature that provides cardholders the lowest plan price on prescriptions at participating pharmacies (Medication Pricing/Discounts are calculated on the plans lowest negotiated contract price and the pharmacy's "usual and customary" price).
