### K9 Program

#### Aurora Police Department

K9 Officer Jonathon Kolb and his canine partner Ozzy are to receive a new cruiser in early 2020. This cruiser will need to be equipped specific to the canine including a kennel, jump seat and a heat alarm among other items. These items are over and above the cost of the police cruiser and fund raising is needed to help our police department offset the expense. The K9 Program is a great resource in combating the drug problems in our area. Having Ozzy on our police force can't be emphasized enough. Our canine also provides additional safety and protection for our police officers. We are accepting donations to insure the future of our K9 team and protecting our police department and canine partner Ozzy.

Thank you for your assistance!!
