Re: Aurora Recreation and Community Center (ARCC) Closing

Effective at 5:00 p.m. tonight, Monday, March 16th, 2020 the City of Aurora will temporarily close the Aurora Recreation and Community Center. Such decision will be reevaluated on Monday, March 30th. The Mayor has felt such action necessary as the City weighs our response and actions to the Coronavirus (COVID-19).

The City of Aurora makes such tough decision with our public safety and first responders in mind in our attempts to slow the spread the highly contagious virus and relieve stress on our local healthcare system.

We encourage everyone to take proper precautions, including practicing social / physical distancing of at least 6 feet, washing your hands often, and staying home if you are ill or have been in close contact with someone who is ill.

Sincerely,
