

# City of Aurora Congratulates

**Open Daily 6am - 11pm**

Peyton (Pete) and Joe Tandy opened their corner market on the corner of 3rd and Judiciary in 1950. These industrious brothers built up one of Aurora's anchor businesses through hard work and ingenuity. Their loyal customer base included those who bought groceries delivered to their doors, neighbors from Kentucky who would ferry across to Aurora, and local residents. Their business grew to the extent that, in the late 1960's, the brothers expanded their store to the size you see today. The Tandy brothers have passed; Joe in 2000, and Pete in 2003, but their legacy lives on. In addition to their many regular customers, Tandy's IGA has thrived in large part due to their faithful, hardworking employees!

Tandy's bakery & deli offer great menu items for breakfast and lunch, including their famous donuts and fried chicken. Their 10-pound meat sale is available all month long. In addition to in-store offerings, Tandy's IGA runs a quality catering service. Every Spring is announced in Aurora with the Annual Tent Sale.
