

New Aurora City Manager Named

Derek Walker, a native of Southeast Indiana will take over as the new Aurora City Manager. A Ball State graduate with a Bachelor and Master Degree in Urban and Regional Planning and Development and over 4 years of experience working in the planning and zoning office for the Dearborn County Government.

"I'm grateful for the opportunity to work with Mayor Drury and the City Administration as we work to build upon recent momentum. My focus will be working to make Aurora a place that people enjoy living within and visiting and a place that businesses are able to successfully expand and thrive. I'll look to highlight and build upon the unique assets that give the city a competitive advantage.

I look forward to meeting with city employees, local leaders, and residents to better understand our roles and determine ways in which we can make Aurora the most that it can be. I can be reached by calling my cell phone 812-221-4170 or via email at dwalker@aurora.in.us"
