I. EXECUTIVE SUMMARY

The City of Aurora recognizes the downtown business district as vital to the local economy. In 2016, the City created the Downtown Strategic Revitalization Project and the Façade Improvement Matching Grant (FIMG) program to stimulate reinvestment and to polish the appearance of the historic downtown. In 2020, after 3 years of success and noticeable investment downtown, the City expanded the program to include and encourage investment in the residential, Westside Neighborhood.

The 2021 FIMG Program will still include exterior preservation, restoration or rehabilitation of real properties as eligible projects but will be expanded to include structural repairs that are needed to save a structure. The program will also be expanded to include all properties within the Aurora City limits.

The Façade Improvement Matching Grant Program is administered and awarded by the City of Aurora. Projects are eligible for grants up to \$5,000 and require a matching dollar- for- dollar expenditure. *Due to limited funds, not all applications are guaranteed to be awarded or may receive partial award. Grant awards will be based on how well the project meets the programs goals.*

To be eligible, applicants must submit applications in their entirety (see section V of this document) by Friday, April 2nd at 4:00 PM and the property must be compliant with all applicable codes and regulations. Applications and payment of fees are to be forwarded to the Aurora Clerk Treasurer, at Aurora City Hall, 235 Main Street, Room 210, Aurora, IN 47001.

II. FAÇADE IMPROVEMENT MATCHING GRANT PROGRAM GOALS & SCORING:

The City of Aurora FIMG Program is intended to encourage private investment in real property within the City and promote the City's unique architecture and culture. Projects will be prioritized based on the community impact.

The Design Review Committee will review all applications for eligibility and provide each a score based on how well they meet the program goals and recommend final action to the Aurora City Council. The committee consists of the Mayor, City Manager, Main Street Director, Historic Preservation Commission (HPC) President and the Indiana Landmark consultant.

Applicants are required to submit a written report addressing the scoring criteria. Each eligible application will receive a total score out of 30 based on how the project addresses the following:

Existing Condition (15 points possible)

<i>Score Type</i>	<i>Maximum Score</i>	<i>Descriptions</i>
Project Location / Visibility	5	How many people will the project impact on a regular basis (e.g. property at the end of a cul-de-sac v. on the corner of a busy intersection)?
Structure / Architecture Significance	5	Does the structure capture an architectural period or hold a unique piece of the City's history?
Need for Project	5	How much of an improvement will the project be relative to the structure's existing conditions? Will the structure survive without the project?

Proposed Project (15 points possible)

<i>Score Type</i>	<i>Maximum Score</i>	<i>Descriptions</i>
Visual Impact of Project	10	What quality of materials is used in the project? How will the project improve the visual appeal of the structure?
Conformance to Design Guidelines	5	How closely does the project follow the Aurora Preservation Commissions' Historic Preservation Standards?

III. MAXIMUM AWARD

Projects will receive award based on to the *lower* of:

- 50% actual project costs,
- 50% of lowest quote (should applicant elect to work with a different contractor), or
- The maximum awarded amount.

IV. ELIGIBILITY REQUIREMENTS:

1. Applicant must be or must have written authorization from the property owner or be a legally contracted buyer.
2. Must be submitted with a complete application, see Section (V).
3. Project work must be an eligible activity, see Section (VI).

V. APPLICATION:

The following items shall be required:

1. **Grant Application.** A completed application, attached on page 6.
2. **Existing Conditions.** Photos of the building and of existing conditions and a brief written description of conditions.
3. **Project Description.** Written description of proposed improvements, including materials, plans and specification of proposed work.
4. **Quotes.** Three (3) quotes for each proposed improvement within the total project scope by qualified contractors. If multiple specialty contractors are needed (Roofer, mason, etc.), at least three (3) quotes must be provided for each project component. ***If you are unable to obtain three (3) quotes, you must show proof of soliciting at least three (3) quotes.*
5. **Application Fee.** Processing fee of \$25.00. Contact the Clerk Treasurer's Office to arrange payment, 812-926-1777 ext. 1.

***NOTE: If awarded, applicant will be required to obtain all applicable permits.** ***Additional permit fees will apply. Permits are not required for an application but will be required to receive award. Permit(s) and required approval must be obtained prior to commencement of an awarded project or awarded funds shall be forfeited.*

Applicable permits may include but shall not be limited to zoning permits, 812-537-8821, building permits 812-537-8822, and Certificates of Appropriateness or COA 812-926-0983. Applicants are encouraged to discuss project plans with the proper permitting authority prior to applying for this grant. **Changes to the project scope will require approval by the design review committee.*

VI. ELIGIBLE ACTIVITIES:

Eligible projects must improve the exterior aesthetic appeal of the structure and generally includes:

1. Facade Renovation & Repair
2. Repairing or replacing design elements (e.g. cornices, entrances, doors, windows, and decorative detail) which meet the City of Aurora historic design guidelines, contact Indiana Landmarks for details, 812-926-0983.
3. Masonry and Major structural repairs.

4. Signage and/or Awnings.
5. Roof repair or replacement within street level site range, Gutters, and Downspouts.
6. Other repairs that may improve the aesthetic quality of the building.

Ineligible activities generally include improvements that do not improve the structure's exterior aesthetic appeal and generally include:

1. Interior improvements (including window display areas).
2. Sidewalks, driveways, parking lots.
3. The purchase of furnishings, equipment, or other personal property not part of the real estate.
4. Improvements that are already completed or in progress prior to notification of approval.
5. Additions to existing structures, whether attached or detached to the principal building, unless it can be proved that the addition was an original component of the structure.
6. Funds used to pay off existing mortgage, lease or rental fees, association fees, executive or administrative salaries, employee payroll, or permit fees.

VII. GRANT AWARD AND PAYMENTS:

Grants awards will be announced at the April 12th, 2021 City Council Meeting. A letter of acceptance must be signed and returned by noon on Friday, April 30th, 2021. Grantees will receive an award packet no later than May 14th, 2021. The award packet will include the following:

- An award letter indicating your responsibilities to the program
- A checklist detailing the items required to be submitted to receive your award payment
- A manila folder to retain all the required documentation

Awarded funds must be properly requested by December 1st, 2021 or award will be forfeited. Extensions "*may*" be granted by the Design Committee for unforeseen circumstances at no fault of the applicant. Request for extensions must be submitted in writing to the City Manager no later than November 1st, 2021.

Disbursement for grant payment will be made to the applicant upon completion of the project and submission of required documentation in the award packet provided. The required documentation will include:

- Copy of your application (provided)
- Copy of Certificate of Appropriateness, if required (provided)
- Copies of any Permits
- Copies of all invoices

- Copies of proof of payment: These may include copies of cleared checks or proof of Automatic Clearing House (ACH) payments
- Before and After Pictures of the project

Once the packet has been returned with the accompanying documentation, payment will be issued through normal Accounts Payable workflow (please allow 2-3 weeks for proper approval and processing).

Disclaimer:

Grant funds must be returned if the property is not maintained in accordance with City of Aurora Code.

Real property on which a residential dwelling was built prior to 1978, may present exposure to lead from lead-based paint. Grantee(s) is advised that young children are at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. Grantee(s) should exercise due diligence to identify lead-based paint hazards from risk assessments or inspections and employ Lead-Safe Certified Contractors, if necessary. A current copy of Contractors Lead Based Paint Abatement Training Certification may be requested by the City of Aurora as a condition of grant funds.

Grantee(s) shall be responsible in determining whether lead-based paint hazards are present on his/her property. Grantees and/or privately-hired contractors performing work on property where lead-based paint is present shall hold the City of Aurora harmless for any failure to identify hazards and appropriately address the removal of said hazards.

For more information about our Facade Improvement Matching Grant Program or to submit a complete application, please contact: City of Aurora City Manager, PO Box 158, Aurora, IN 47001 Email: dwalker@aurora.in.us
